If you have a little extra time and can just do one thing it would be greatly appreciated. Contact the church office

The Council and the Visioning Team have started looking to find ways to have the church property help raise funds to continued operation of the church. We had Ron Gaus come over from St. Louis County and he provided us with some advice on how we could use our kitchen as well as renting out parts of our church. We also met with Lisa Rock and Lauren Manning who gave us some ideas on renting out parts of the church as well as hosting tours and special events. We had a meeting with the St Joe Visitor and Convention Bureau and have set up a plan to have tour groups come through Zion. Our church is very historic and beautiful and in their opinion would make a good tourist stop. Any group interested in German history would be taken to the Cabbage Roll following the tour of Zion. We also had a meeting with the Downtown Merchants Association and they felt our church was a good candidate to rent out space. They were very impressed with our gym. We will continue to explore and implement any plans that would generate revenue for the church. The Visioning Team and the Council would welcome any ideas regarding these matters. Please feel free to contact any one of us.
